## Career Objective

I am a student of IUBAT and here I am studying computer science and engineering. Perfection-obsessed Software Developer, interested in building usable, useful, well-constructed modern, reactive apps using Flutter for Android and iOS. I've been learning mobile and web development as a hobby, but it soon became one of my favorite things to do. I also regularly contribute to open source. Currently Flutter and Dart enthusiast.

## Education

- IUBAT- International University of Business  
Agriculture and Technology  
Bachelor of Computer Science and  
Engineering(currently in 10<sup>th</sup> semester) 2018 - Current
- Dhaka College
